FOREWORD

Here in the beauty that daily surrounds us we laugh, play and work. Through our nearness to nature in this land of lakes and hills we learn to appreciate the bounty of our Creator and the miracle of life.

Come with us through the pages of our Vistula as we show you how, under the influence of our surroundings, we prepare ourselves for the present and future of our beloved community.

Last minute rush to be on time!

Lunch time!

The pause that refreshes!

Senior popcorn stand.

What will you have?

The line up.

MR. MERTZ, Principal

ADMINISTRATION

As a true administrator Mr. Mertz has the interests of every pupil at heart. To keep in close touch with student reactions and problems he taught a senior class in government and eighth grade arithmetic.

The growth of our school in curriculm and stature during his regime demonstrates Mr. Mertz's wide training and many capabilities.

In addition each student feels free to carry any difficulty to him for counsel.

L. TO R.: Art Achaeffer, Clarence Huss, Lovell Moeller, Ellsworth Bingaman.

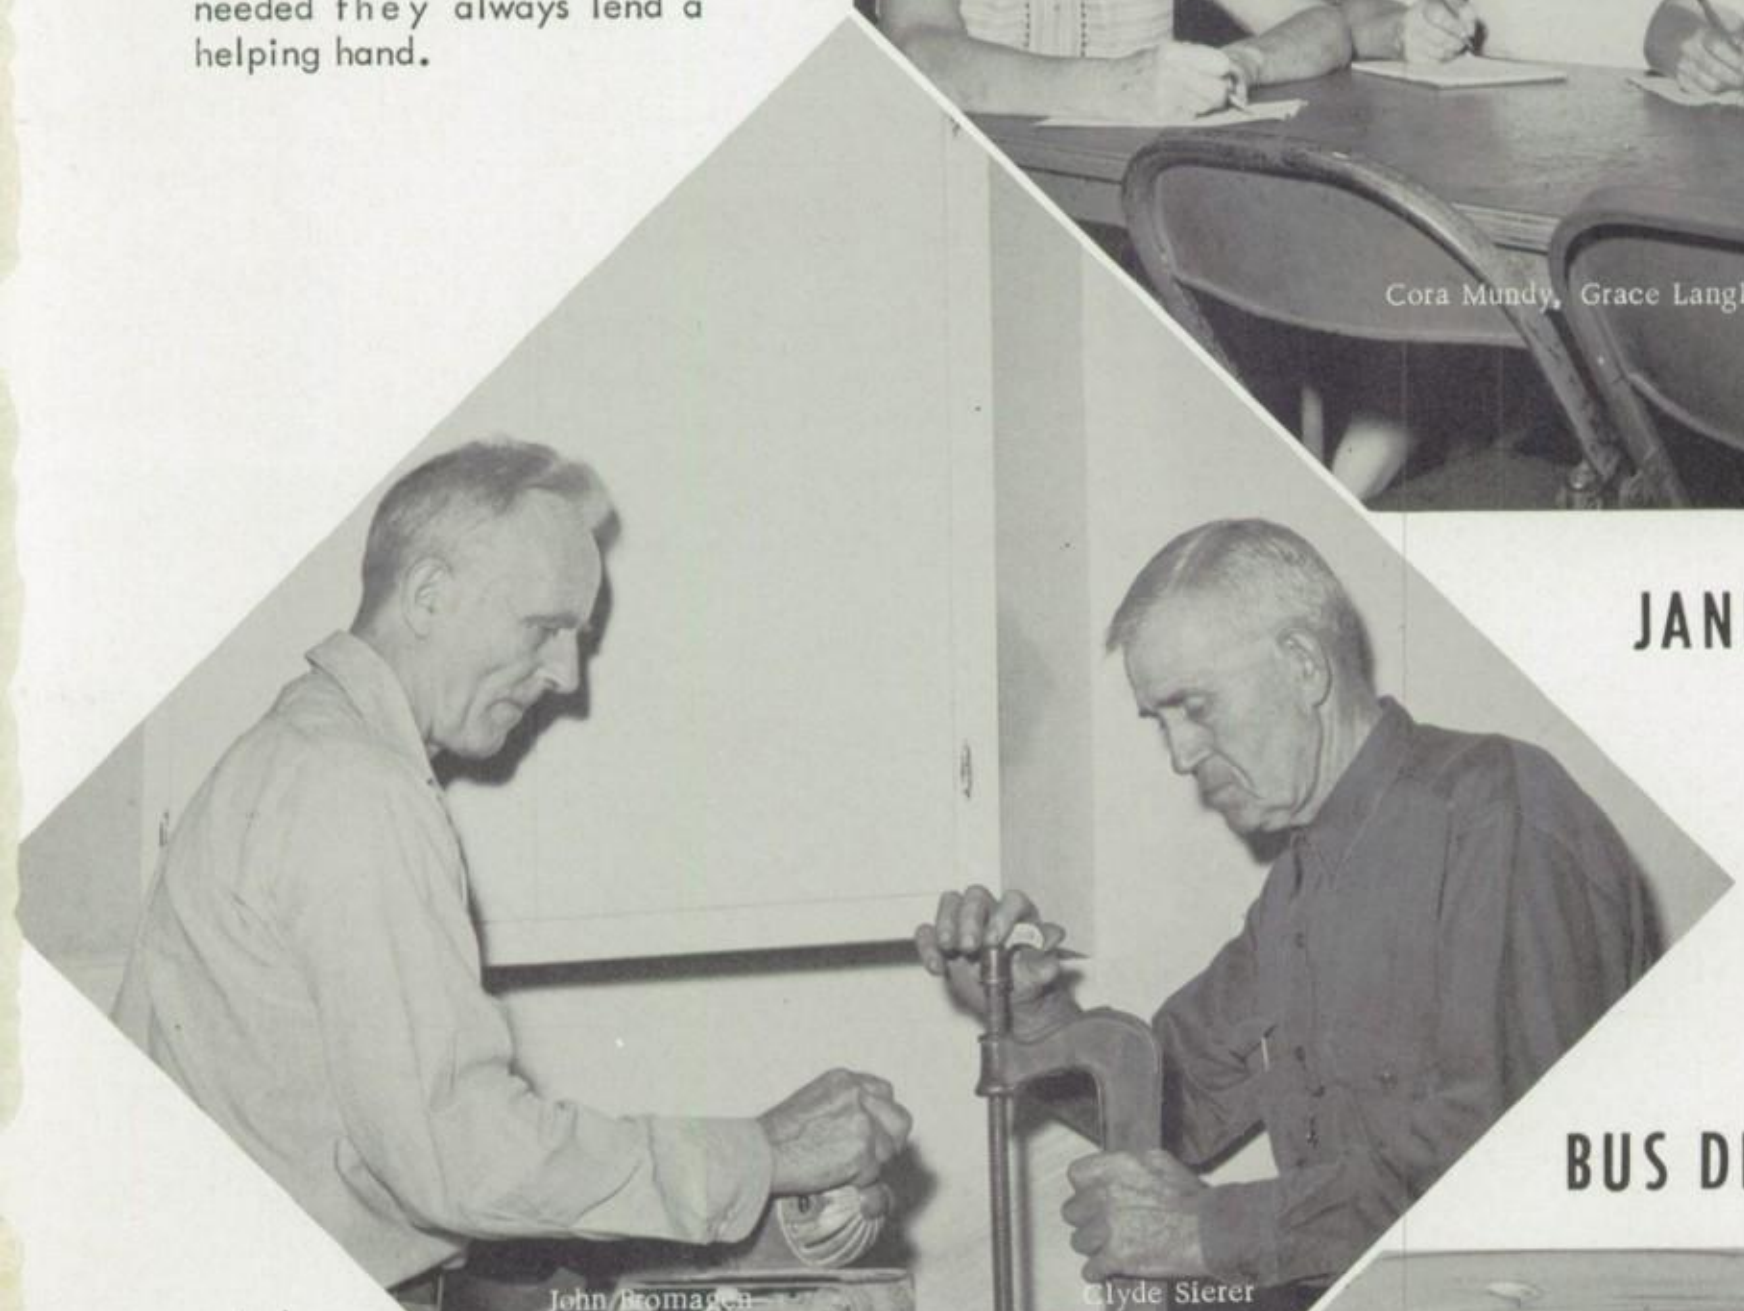
The advisory board had a real responsiblity in formulating the policies and directing the financial needs of the school. They did a fine job in acting as a link between the public and the school.

COOKS

The cooks are good friends of every child. Properly balanced, delicious meals are prepared every day. When needed they always lend a helping hand.

Cora Mundy, Grace Langley, Alice Bretz.

JANITORS



John Bromagen Clyde Sierer

John and Clyde have done a splendid job in keeping our school clean and neat. They make sure we are comfortably warm even on the coldest of days. In spite of their many tasks they are always good natured.

BUS DRIVERS

L. TO R.: G. Hess, K. Reese, J. Parshall, R. Shutts, R. Knisely, M. Foss, R. Abbott, L. Gary, K. Cook, J. Bromagon.

The bus drivers are very important in a school like ours. They accept their responsibilities cheerfully and are dependable no matter what the weather.

CLASSES

The sailboat has many different parts, all of which must function properly for the boat to be usable. If just one part is missing or inactive, it cannot function as a whole. It is the same with the school. The pattern of its success and progress is determined by the effort of each individual pupil.

New subjects are being added yearly to the curriculum. These make possible our becoming better citizens and developing for the future.

Even as a sailboat is constructed, so our education is built. By taking advantage of this modern educational program we control our intellectual growth, and can enjoy more thoroughly this challenging and interesting world.

"ALL THE WORLD'S A STAGE"

The two plays produced by the Class of '55 provided real variety. "Strictly Formal" dealt with typical teen age situations in an amusing manner. In "Headin' for the Hills" the Seniors became convincing hillbillies using beards, jugs, and red flannel underwear in realistic fashion.

The fun of working together during rehearsals gave even more pleasure than the final performances. The entire class helped with the plays to make them both a stage and a financial success.

HEADIN' FOR THE HILLS

'Senior Play Memories'

All of the seniors will remember the fun they had at practice and especially backstage.

LaMoine was afraid of the chicken but she managed to hold it. Wendell will always remember his tight suit. Ellen can't find her recipe for pigs lungs! Bev Caywood had trouble keeping her extra large glasses on. Yvonne Neutz remembered all her lines in spite of her giggles. Butch Harding will never forget how he had to shave his three week old beard on the day of the play! Ruth Buckmaster is still trying to wash off the perfume. LeRoy Huss had a difficult time trying to sleep during the play and remember his line. Betty Gary and Barb Schaeffer chased "Cyrus" through the entire play and now feel that when they see him it's "after him"! Amy Swift and "her kids", Larry Penner, Evan Thomas, Ed Sevits, and Charles Kaufman, have put away their guns and returned to civilization. Marilyn Champion still thinks she's "sweet as merlasses". Madonna Vice and Ronnie Follett have altered the underwear so that it fits real "snug". Toothless Dave Foster will never forget the riot he caused with his wig and beard. Carol Neely and Bruce Foster "stole the show" with their excellent parts as "Skeets" Goolus and Slim Hawkenshaw!

1. "Could put a tuck here and a tuck thar"
2. "You're mighty purty"
3. "I got the bracelet"

ACTIVITIES

The drifting smoke as it rises and blends into the horizon suggests the life of the individual student as it merges with the aims and purposes of the school, to the honor and glory of both.

The warmth of lasting friendships and a feeling of personal worth grow in the intimacy of clubs and organizations. Other values that cannot be measured are the fun and satisfaction of successful cooperative effort.

As hotdogs and marshmallows roasted over the open fire provide sustenance for physical development, participation in school activities encourages the social growth.

THE GUIDING LIGHT

Through the Student Council are expressed the opinions and desires of the student body. It is truly the voice of the Eagles.

Each class in high school sends two representatives, and this year for the first time the junior high was included. Although they did not participate, they learned the way the Student Council functions.

Some of the various duties of the Student Council this year were directing cheer leading tryouts, helping with the Hallowe'en Carnival, supervising Christmas festivities and Awards Day.

FOLLOW THE LEADER

The band increased in both size and quality this year. It has played for every home basketball game staging variety floor shows.

The band started the year out with the marching contest where the members did an excellent job despite pouring rain. Perfect weather greeted the trip to Manchester College for band day.

More than a hundred solos and ensembles were entered in the district contest, and many successful contestants went to Indianapolis for the state contest.

THE FREMONT ENSEMBLE

At the contest at North Side High School in Fort Wayne the twirlers won a superior rating and were eligible for the state contest at Butler University Field House in Indianapolis.

These girls have worked as a group for five years and received top ratings from the very first. Graduation will take two of their number, LaMoine Bressler, majorette, and Beverly Caywood.

STANDING: J. Knauss, B. Caywood, L. Pifer. SITTING: S. Berry, G. Cole, L. Bressler.

"TO THEE WE SING"

Increased interest in chorus resulted in the formation of three sections, boys glee club, girls choir and mixed chorus.

In December the chorus and band gave a concert for the Commercial Club. A varied and delightful program including every child in the grades and the choruses was presented at Christmas.

Our spring program took the shape of a minstrel.

As a fund raising project, the three groups sponsored a sock hop after each home basketball game.

VIM, VIGOR, AND VITALITY

Again this year the Girls Athletic Association received a ready response from all girls interested in athletics.

Basketball, volleyball, folk dancing, group games, stunts and tumbling were activities. The fun of team play, the development of clean competitive spirit, good health and physical trim were advantages offered.

The annual play day was held in March and several schools were represented.

By the use of the point system the girls won awards for various athletic achievements at the completion of a happy and successful year.

NIMBLE FINGERS

Future Business Leaders of America is a national organization making its first appearance at Fremont under the tutelage of Mrs. Duke.

The charter installation services were held by the Fort Wayne Chapter and Dr. Robert P. Bell, Ball State Teachers College, presented a charter to Fremont.

Nineteen students comprised the charter group. In January initiation was held for new members. Many worthwhile projects were sponsored by the club: typing and mimeographing for teachers, compiling job surveys, showing of guidance films, and occupational materials. The FBLA's first money making project was a paper drive.

The year was interesting and successful for Tri-Hi-Y. We all enjoyed working with Mrs. Kindle as our advisor.

In October the officers attended the district meeting at Howe High School where plans for the following year were discussed.

There were many new members this year. The candlelight induction ceremony was held at an assembly of the high school students.

Activities of the organization included a Christmas basket for a needy family, a sunrise breakfast on Easter morning, and the Christmas dance jointly sponsored with Hi-Y.

Hi-Y had a year filled with school and community activities. John Hill was again Hi-Y advisor.

Throughout the year the chapter planned its activities to follow the ideals of the organization: "To create, maintain and extend throughout the home, school, and community the higher standards of Christian character."

In the fall members attended the district meeting at Lima, Indiana. At this meeting the year's activities were planned.

Tri-Hi-Y and Hi-Y jointly sponsored the annual Christmas dance.

Another annual event, the Father and Son banquet, was under the direction of Hi-Y members. Mutual affection and pride were very evident at this gathering.

We are the Future Homemakers of America. We face the future with warm courage and high hope for we have the clear consciousness of seeking old and precious values. We are the builders of homes for America's future. Homes where living will be the expression of everything that is good and fair. Homes where truth and love and security and faith will be realities, not dreams.

Our chapter had two meetings a month. one business and one social. The Christmas party was held at Rosalie Baker's home.

The annual FHA and FFA party was a big success and all of the members had loads of fun.

A conservation project interesting to all members was the construction of 35 bird houses out of redwood materials. The houses varied from wren size to those for bluebirds. These were sold at very reasonable prices.

The Fremont Chapter sold Vitality Seeds, quality vegetable and flower seeds handled only by F. F. A.

A fence tightening device was also introduced and demonstrated by the boys.

THE FLAMING TORCH OF KNOWLEDGE

To be a member of the National Honor Society a student must not only have a high scholastic average but be outstanding in character, leadership and service.

Initiation is a "tapping" and candle-light ceremony which is held at the beginning of the second semester. Juniors are probationary members.

Election to the National Honor Society climaxes four years of honest effort and achievement.

THE POWER OF THE PRINTED WORD

Quill and Scroll is the international honor group for journalism students. Outstanding service for school publications and a scholastic rating in the upper third of the class are the necessary qualifications.

The journalism group grew in size and interest this year with many Juniors actively participating in the publications.

MASQUE AND GAVEL

The Masque and Gavel Dramatics club has completed its second successful year at Fremont High School. Under the leadership of Mrs. Pettry, the club has doubled its entire membership this year.

A one act play "Evening Star", under the direction of LaMoine Bressler, was presented by 10 of the members for the entertainment of the school.

For those individuals not interested in acting, the club furnished outlets in the directing field, as well as that of make-up, scenery, and lighting.

AG EXPERIENCE

Judging is a way of learning and supplements classroom work. In Indiana alone 25,000 individuals participate each year in this agricultural activity.

Fremont judging teams this year were engaged in poultry and egg, dairy, crops, land, insect indentification and demonstration contests. Valuable experience is furnished by actual handling of farm animals and dealing with farm situations.

SPORTS

The health and vigor of our environment are expressed by our outstanding athletic achievements. The ability to handle the body with the grace and accuracy necessary for top athletics, the stamina to go a little more than all the way, the stubborn refusal to give up until the last gun is fired-these are products of unsurpassed surroundings.

In our broad program every pupil may find athletic expression whether it be in the individuality of track or the team play on the court or the diamond.

The caliber of the Eagles' coaching staff had led to an enviable reputation for quality team play and sportsmanship.

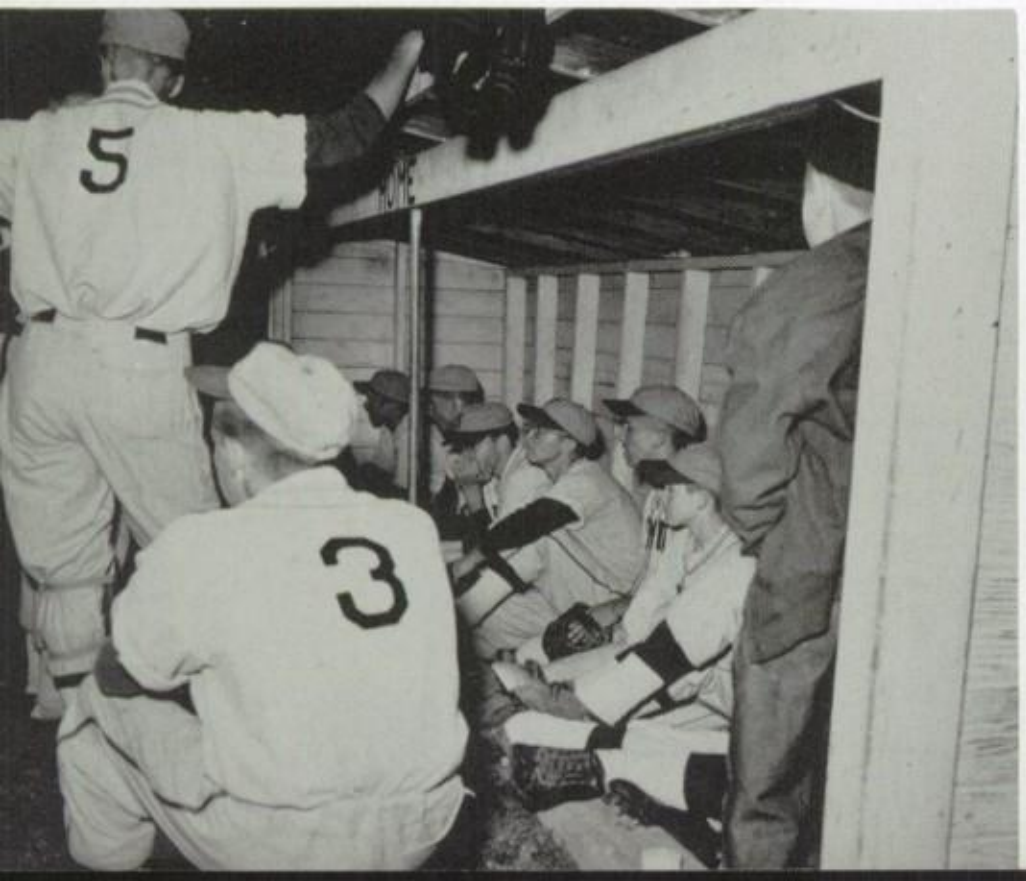
The Windup!



Ball or Strike?

BATTER UP!

The baseball team got off to a good start and finished the same way having an undefeated county record with 7 wins 0 losses. Defeating Orland 14-5 in the tournament the team brought the baseball trophy to Fremont for the first time since 1942 by trimming Hamilton 10-9 in the final game in 2 extra innings.

The corner conference had a tournament, the first since 1947. Our team won 2 and lost 1, the loss being at the hands of Avilla 2-1 in the finals.

The Eagles were really blessed with pitchers. Rodney Wells, a freshman of great promise won 4 lost 0, while LaVern Bressler, still having 2 years of playing, won 3 lost 0. Two seniors, Dave Foster 1-1, Jerry Beams 2-0, and Max Hufnagle, sophomore, 1-0 made up the wins for a record of 11 wins and 1 loss.

Fremont outscored and outhit the opposing teams on the average, giving them 5 runs, 7 hits against our own 9 runs, 11 hits.

Jerry Beams was the team's leading batter for the second straight year getting 19 hits for 40 times at bat for a .475 average. Ronnie Beams and Wendell Cooper were also above .400 with .447 and .435 averages respectively.

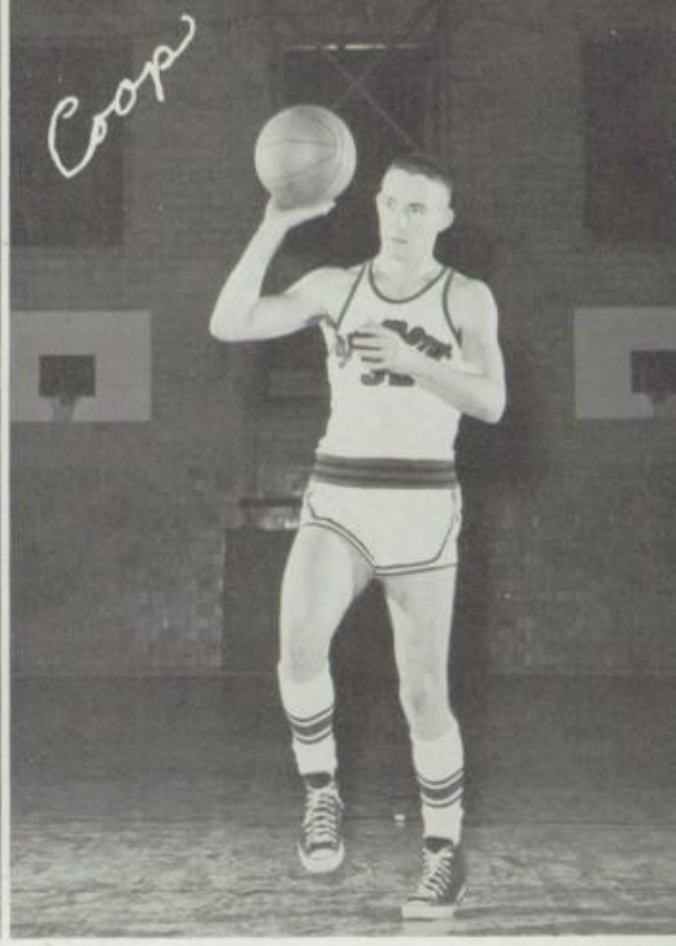
FREMONT'S



WENDELL COOPER-SENIOR-FORWARD

A veteran of two years, Coop's accurate shooting, good defense and powerful rebounding made him the key man of the team.

LEROY HUSS-SENIOR-FORWARD

Peg, with a previous year of experience, was very valuable to the team with his accurate shooting and rebounding.

RONALD BEAMS-JUNIOR-GUARD, FORWARD

Ronnie, a veteran of last year, was the spark of the floor with his defense and accurate shooting. He will be the key man next year.

BRUCE FOSTER-SENIOR-CENTER

Bruce's rebounding ability and two years experience proved a vital asset to the team.

MIGHTY EAGLES

GERALD BEAMS-SENIOR-GUARD

Jerry's assists and heads up ball were very valuable to the team. His ability to play several positions and two year's of experience made him a seasoned player.

DAVID HARDING-SENIOR-GUARD

Butch was a veteran of last year. His constant popping of set shots made him a reliable substitute.

DAVID FOSTER-SENIOR-GUARD

Although Dave saw limited action, he was a continuous scoring threat when he was in. His varsity experience of last year increased his value.

PHILIP GAY-JUNIOR-FORWARD

Being Phil's first year on the varsity squad, he saw limited action. A fine rebounder for his size, he will be a valuable man next year.

DEVELOP FIGHTING TEAMS

Under their new coach, Harry Kelley, the Eagles enjoyed a successful season, the varsity winning 17 games against 6 defeats, while the reserve won 19 and lost 2.

The Eagles won the Steuben County Tournament, but were defeated by a strong Angola team in the Holiday Tourney. In the sectional Fremont defeated Churubusco but were then eliminated by Garrett. The reserve team won their County Tourney as well as the Corner Conference title.

Only 2 members of the varsity were underclassmen, but the Eagles had a strong second team. Outlook for next year? Inexperienced team at the outset of the season, veterans at the end and another great Eagle team! What else?

O-YEA-EAGLES

V-I-C-T-O-R-Y

Adopting a new number of cheerleaders proved successful with four each for the first and second teams. Hard work and originality gave the girls rhythm, precision, and several new yells. Black and white uniforms to match the varsity suits were chosen by the first team cheerleaders. Increased numbers in the cheering squad made possible more effective formations. The Eagles had the right to be very proud of the group leading their cheering section.

INTRAMURALS

The Intramural program has been quite successful this year, two games being played each week. The captains were chosen from Freshmen and Sophomore boys, but boys in all four grades in high school participated.

The referees were picked from the first and second team boys. The boys gained valuable experience from this work.

Keen competition and much fun was enjoyed by all those who participated and everyone is looking forward to intramurals next year.

A MILE A DAY

Any boy going out for cross country deserves the respect of the whole student body because it takes more desire and training than natural ability. Just about any boy can become a cross country runner if he wishes to put forth the time and effort.

Cross country was not a new sport in Fremont but relatively few boys were interested. Those boys running this year were willing to work hard and as a result tied with Avilla for the Corner Conference title.

LETTERMEN

The members of this club have earned letters in baseball, basketball, track or cross country. Nine seniors, one junior and three sophomores make up the present club.

Officers were elected for two years with Ronnie Beams as president; Rex Ehrhart, vice-president; Alan Sidel, secretary, treasurer and LaVern Bressler, reporter.

The aim of the Letterman's club is to promote good sportsmanship in school, in the community and in future life.

LITTLE LEAGUERS

Grade baseball had a successful season under the guidance of Bill Kelly. Thirty boys participated and of these, only three were old timers--Roger Barry, John Crawford, and Roger Foss.

Their game record was 3 won, 2 lost. The group won the northern division title.

GRADE CHEERLEADERS
Sheila Sidel, Pat Mundy, Barbara Gilchrist, Lorna Sellers.

EAGLETS

The Eaglets' first team is composed of boys from grades 7 and 8, while the second team comes from grades 5 and 6. The end of the season found them with 15 wins and 4 losses. Jerry Lantz won the free throw award with an average of 581.

They climaxed the season by winning the County Grade Tournament and trophy. Because they know they will be the future Mighty Eagles, the boys have worked very hard this year.
